

Blairstone Forest Community Association Rules

When we chose to live in Blairstone Forest we were attracted by the unique forest environment located so close to downtown. Preserving what we have depends on our working together. This reminder is a summary of many points in the Covenants, Board of Director decisions, Florida law, and City of Tallahassee Ordinances.

Violations of law or city ordinance may be reported directly to the Consolidated Dispatch Agency at 850-606-5800. For any other rules violations, contact the board. The complaint must be specific, providing the address, time(s) and date(s) of the alleged rules violations. The Board will try to maintain the anonymity of the person filing the complaint. We will try to verify the violation and, if warranted, ask our Property Management company to send a letter to the homeowner reminding of them of the rule and asking for their cooperation. After repeated violations, the board will consider suspending the homeowner from using common lands or from holding office and voting, and potentially being issued fines. Fines are authorized by FS 720, Section 305.

Annual Assessment payments are due, or must be postmarked by January 1. Covenants Article VII, Section 6, C There is a ten-day grace period. Article VII, Section 6, D Beginning January 11 a late service fee of \$25/lot will be charged and a penalty of 18% simple interest on the outstanding balance, retroactive to January 1. Article VII, Section 6, D. It is the responsibility of the homeowner to provide proof that the payment was made as required. The Board will be reluctant to waive the late fee and interest for late payment.

Speed Limit signs are posted to protect all of the Forest residents. Report possible violations to the Consolidate Dispatch Agency at 850-606-5800.

Parking should be done on one's own property or the spaces provided by the Association. Parking in the street, even partially, creates traffic problems for all of us.
